First Give

Empowering young people; igniting a spark of social conscience.

First Give Delivery

Start your First Give programme next Spring term and deliver across eight dedicated classroom sessions (e.g. PSHE)

So, why join up for the Spring programme?

Well, to start with, you'll kick off with our facilitated teacher briefing straight away in January, and end up with a fantastic end of term celebration at your First Give Final before the Easter break.

Your students can break up not only proud of the work they have done, but inspired by all their year group's local charity work and social action.

And of course, your school's winning charity are likely to be particularly grateful for the timing of your students support and £1,000 donation!
